Walk Guide

1. Head straight on
2. Stick to the leftmost path and take the second right
3. Head straight down as the path meanders, ignoring a path off to the left and one on the right
4. Cross the bridge and head left
5. Take the second bridge and follow the path on
6. Take the right - a path that comes back in a similar direction to the way you came
7. Walk straight on - ignoring paths off to the left and right
8. Follow the path as it meanders - meeting a road
9. Join the road and follow it until a car park appears on your right
10. Walk through the car park
11. Keep walking on, past one path and over another bridge
12. Follow the path after the bridge to the right and then keep on this path
13. You'll come back to the bridge you original cross, go over it and take the path to the left
