### Walk Guide

**Parking:** Near canal, next to Calverley Bridge, or park at Rodley and, crossing the swing bridge and turning left, walk that little bit extra down the canal.

1. Walk down the canal from Calverley Bridge (to the right if you're facing the canal)
2. Follow the canal along to Apperley Bridge, but exiting before reaching the bridge its self (not long after the canal runs parallel to the river)
3. Head up on to the road, then follow it for approx 200m before taking a public path right.
4. Follow this path forward, by the river, through cragg wood, back to the river and back to Calverley Bridge.
