Walk Guide

1. Head out of the car park to the right (if you're facing the water)
2. Follow the path, before taking the first footpath that heads off to the left - taking you closer to the waters edge
3. Continue to the left as the path joins another path
4. Head straight on, ignoring one path off to the left and two off to the right
5. Follow the path to the left as it bends around the reservoir
6. Continue on the path closest to the waters edge as you walk along the far side of the reservoir
7. Take the path to the left as it goes around the end of the reservoir
8. Continue to follow the path closest to the waters edge and you will eventually come to a road
9. Follow the road as it bends and you will arrive back at the car park
