Please note that there is no fixed parking in the area other than a couple of lay-by's

- 1) Starting from the lay-by near northern end of the bridge take the path to the south-east along the side of the Lindley Wood Reservoir
- 2) After some way down this path you need to take the path off to the left - if you reach the gill you've gone too far
- 3) At the end of this path you meet a road, take it to the right a short distance
- 4) Not long after crossing the gill you want to take the footpath to the right
- 5) At the end of this footpath you need to head right

6) After some time you will pass Lindley Wood Farm on the right, keep on walking looking for the next path to the right - if you meet a road, you've gone too far

7) Take this path until you meet Cinder Lane and head right

8) Almost immediately, you need to be looking for another path heading off to the right

This path will take you all the way along Lindley Wood Reservoir and back to the beginning of the walk.
