Walk Guide

1. Starting from the car park, head to the left (as if you are facing the lake)
2. Follow the lakeside path and bear to the right as the lake starts to bend
3. Take a left not long after to begin the walk towards Sandal Castle
4. Go right over the bridge as the path bends
5. Continue straight on until you meet a road
6. You've arrived at Sandal Castle, have a walk around
7. Take the path at the other side of the castle that runs parallel to the road
8. Head right when the path meets another, this will take you back towards Pugneys
9. Stay on this path, eventually crossing a bridge

10. Follow the path on the other side of the bridge then head left when this meets another path
11. Follow the path as it meanders around the lakeside, and you'll end up back at the car park
