

Agden Reservoir

Distance	4.3 Miles
Duration	1 hour, 25 minutes
Features	Reservoir, Woodland
OS Map	Explorer OL1
Area	South Yorkshire

Walk Guide

1. This walk at Agden Reservoir starts from the car park near Nether Farm.
2. You then take the footpath out of the car park that heads towards the reservoir, taking the left path as it forks.
3. After cross Kirk Bridge, continue ahead, ignoring the path that heads off to your right.
4. This path meets Smallfield Lane, which you need to take to the left - being aware of any traffic.
5. After you pass Sunny Side Farm, look for a footpath on the left and take it.
6. Follow this on, beyond the far tip of the reservoir, ignoring the footpath breaking off to the right.

7. You then want to take your next left - following this new footpath to join Windy Bank.
8. At the end of Windy Bank, go left onto Fair House Lane.
9. Then left again, back into the car park.
