Duration	30 minutes
Features	Reservoir, Woodland
OS Map	Explorer 278
Area	South Yorkshire

Walk Guide

1. You start the walk from the Mill itself, heading westwards with Worsbrough Reservoir falling on your right side.
2. Keep on this path, continuing to bear right and ignoring 3 separate paths that go off to the left at different points.
3. After you cross over the River Dove you want to take the next footpath to the right, which brings you back towards Worsbrough Reservoir.
4. Follow this path to the end of the Reservoir and take another right which takes you back to where you started.
